

the SMART workplace

ADVISOR/CONSULTING SERVICES

We focus on your organizations' most critical issues and opportunities: communication, collaboration, trust, culture building, network expansion and technology. We work across all industries and geographies, bringing deep leadership expertise and a holistic approach.

We meet your organization where it is, help everyone move beyond traditional work practices to competencies that support and develop teams, culture and the organization.

As Smart Workplace trusted advisors we are dedicated to building relationship and leadership competency in a digitally-driven workplace.

We

- Work with people like you – leaders and professionals
- Are proven strategists, trainers, consultants and thought leader
- Have combines experience of over 60 years in workforce strategy development

An initial 1-hour consultation is free and includes a high level intake, assessments and feedback.

Additional sessions include culture audit, key stakeholder assessments, detailed review and planning session. All additional 1-hour sessions are \$250 per session or in 6-session coaching blocks (\$1,200, a 20% savings). Between session email support included at no additional charge during coaching blocks.
